

# STOP

the pylons

The height of  
10 London buses

Save Ardleigh

[ardleighmatters.org.uk](http://ardleighmatters.org.uk)

**National Grid is proposing over 27, 50-metre-high pylons in Ardleigh. Creating one of the most concentrated areas of high voltage power lines in any community in the UK.**

**This means; 1 - Health implications for your children, 2 - Your property could devalue in the region of 25%\*, 3 - Our village will change indefinitely for the worse**

# Can it get worse for Ardleigh!

**National Grid are proposing a 400kV connection substation. The size of up to 67 football pitches, 100 acres**

**YES**

**National Grid Consultation ends 16th June. Get involved NOW!**

- Attend National Grid Public Meeting on 28th May at Lawford Venture Centre 10am-4pm
- Attend the Ardleigh “drop in” session on Wednesday 1st June 4pm-7pm at Ardleigh Village Hall
- Sign the petition: [www.pylonseastanglia.co.uk](http://www.pylonseastanglia.co.uk)
- Write to our MP: Sir Bernard Jenkin - [bernard.jenkin.mp@parliament.co.uk](mailto:bernard.jenkin.mp@parliament.co.uk)\*\*

“Dear Bernard,

My name is XXXXXXXX I live at XXXXXXXX and would like to express my objection at National Grids proposal to destroy our village and surrounding area with their proposed 180km pylon network and Ardleigh Substation Plan. We want National Grid to understand the village of Ardleigh is going to be uniquely impacted as part of this plan, and we want their help in securing our future and the future of our families by looking at alternative option.”
